## Profile

Video Editor and AI-Assisted Filmmaker crafting short-form, ad-style, and cinematic work. Blends sharp timing, smooth flow, and emotional rhythm with modern AI tools to build bold, social-ready visuals. Strong focus on reels, ads, and fast-impact stories.

## Core Skills

- Editing with rhythm and clear flow
- Stories built for quick attention and strong retention
- Short-form ads and cinematic promos
- Platform-focused visual storytelling
- AI video generation and refinement

Builds clear, polished stories with refined motion, strong framing, and steady color. Mixes AI results with grounded editing for a clean, calm style. Works with a wide set of video, image, and motion tools and offers simple script support. Available for full-time roles with clear direction.
